to report regarding conditions in the Island. Holders of what little is left continue perfectly quiet, without mak-ing any effort to sell, while on the other hand, shippers are not disposed to buy, in view of the danger they incur of a heavy drop in polarization at

SUGAR

this time of the year.
Under date of July 11th one of our European correspondents writes: "A break in the weather on the continent has been responsible for a backing down in the market from 11s, 6% d. for August beet to 11s, 3% d. The previous firmness had been partly due to the covering of bears in the fear to the covering of bears in the fear that owing to the low water in the rivers on the Continent, there there might be a scarcity of sugars avail-

able for delivery next month,
"Refined dealers continue a hand to
mouth policy, partly owing to a feeling of uncertainty prevailing as to the effect of the Russian sugars which come on the market in September. We think it probable that dealers are run-

think it probable that dealers are run-ning their stocks too low, and there may be more activity at any moment. "New crop has eased owing to the rains, as these dispel for the present the fears of a drought which were be-coming prevalent. As the statistical rowtiton is vory sound the market position is very sound, the market this season may be expected to be even more than usual, affected by the even more than usual, alrected by the weather on the continent. Even if the conditions are most favorable for the crop, the position is good, at pres-ent fairly moderate prices, current for new crop, and if anything should hap-pen to prejudice the outturn in any way, the market might easily go quite

ORPHEUM VAUDEVILLE

ational. It is a show such as one tets in the big vaudoville houses of New York, Chicago and the dear old

Orpheum of San Francisco. A Honolulu audience is really ap-reciative of good things in any line. It is certain they will see a good hing tonight in vaudeville and equal-y sure they will show their apprecia-

The value of quick wireless com-munication with the other islands in

The writer attended the rehearsal last night at the Orpheum when all the acts of the big vandeville show were tried out with the orchestra especially augmented for the occasion.

Every act is great, some even sensational. It is a show such as one gets in the big vandeville houses of applies. The commerce, writes under date of July 28th, that the pine-

Mr. Wiggins, secretary of the Los Angeles Chamber of Commerce, writes under date of July 28th, that the pine-spiles, mangoes and alligator pears we forwarded for processing have been received and would soon be ready for the exhibit.

Mr. Wiggins reported also that our agent, Mr. Lloyd Childs, was in Seattle at the date of writing, where he had gone at our request to investigate and report upon Seattle as a field for cavity.

the Islands but he had no doubt that it could be grown here readily and would at once look into the matter and see if it were not possible to open up another industry for the man of small means in the Islands.

The introduced into membered, through his former connection with L. B. Kerr & Co., and he was cordially greeted by old friends about town. He has been conducting a large dry goods emportum in Goldfields, but he caught the Honolulu fever a second time with the result that he cepted an offer from Mr. Kerr to re-turn to this city. Mr. Curtis will be found at his old stand, L. B. Kerr &

\$2500 NEEDED FOR CHILDREN'S HOSPITAL

This noon only \$2500 remained to be collected for the \$100,000 fund for the Children's Hospital. Yesterday Jas. P. Morgan, who has charge of the subscriptions, cellected \$1000 from H. P. Baldwin and a like amount from Mrs. Cordella C. Alfen, as well as \$500 from Dr. and Mrs. R. B. Brinckerhoff. This morning he succeeded in getting together \$2,000 more. Mrs. S. M. Damon and Altan Herbert each contributing a thousand dollars to the fund. Under these circumstances the new institution is practically an assured bloom.
